“ I am saddened that we will not have Aunt Helen's physical presence with us, but I cherish the memories I have of her and comforted by the truth that she is at rest and in a better place.

I remember when I first met Aunt Helen, I I went up and gave her a great big hug, not paying close attention, thinking she was mom (MaryAnn). After the awkwardness, introductions were made and from that time forward she never, ever hesitated to show me love and make me feel welcomed and a part of her family.

She made me laugh. I loved Aunt Helen and will miss her dearly.

--Job 19:25-26

Robin and Family I am so sorry for the loss of your loved one. I never met her or spoke with her, but when I saw her picture, you look just like her Robin. I know she was a beautiful

person with a beautiful spirit because she had you.

Praying God will comfort you and your family and shower you with His Love and Peace.

“ I am so saddened to hear of Helen’s passing. I worked with Helen at the hospital beginning in 1976. When my parents were in an auto accident which took my dad and critically injured my mom, Helen stepped in to be my mama until my mom got better. Whenever I would see her, I would yell, mom! We stayed in touch all of these years. My sympathies to the family. She always filled me in on her children. She was deeply loved.

“ Thinking of the family. I loved how her children took care of her and made sure she could travel to warm places as she did not like the cold weather. I hope it comforts the children to know God has her and will keep her warm until you meet again. Love to the family.

“ Wow, I have so many memories to share. She was a part of our family. We spent many late nights laughing and talking. She had lots of stories to share and I enjoyed each one that she told. She loved my family all the way down to Baby Mason. Her turtle cheese cake was the highlight of Thanksgiving and Christmas dinners. Rest in Peace my sweet Ms. Helen. You are in our hearts forever.
