

Jared Alexander Brailsford

April 10, 1991 - April 13, 2021

Jared Alexander Brailsford was born to John and Tanya Brailsford on April 10, 1991, in Summit, New Jersey. He graduated from Bonner Springs High School in 2009 and attended college at St. Mary's University in Leavenworth, Kansas and Cincinnati State in Cincinnati, Ohio. Jared discovered his true passion was working outside and pursued a career in construction. He was employed by Jostin Construction for seven years and they considered him family. Jared took great pride in showing off projects he worked on and was particularly proud of the FC Cincinnati Soccer Stadium completed in 2021.

Jared was a kind and loving person. He was the kind of man who would literally give you the shirt off his back. He loved playing and watching basketball. As a child, he participated in Karate and achieved his Black Belt. He enjoyed spending time with his family. He was especially close to his mother. Jared spent many hours with his mother reflecting on life, and discussing his interests. He considered his father his best friend and spent time in consult with him every day. Jared loved his sister unconditionally. His nieces and nephew were the light of his life. He always looked forward to attending family reunions. Jared's infectious smile and laugh could light up a room.

Jared was preceded in death by his grandparents Levi and Lucille Brailsford and Henry and Essie Thompson. He leaves to cherish his memory, his mother, Tanya Spearman-Brailsford; his father, John A. Brailsford (Pamela); his sister, Jasmine Brailsford; nieces, Emonii and Madison; and nephew, Eyan. He is also survived by his loving girlfriend, Whitney Fox and a host of cousins, uncles and aunts.

“ May God lift the family up and give them strength to get through this time of sadness. Even though you are hurting right now, know that Jared is with you in spirit always and he's now your Angel looking down on you and he wants you to cherish the times you had together. Weeping May endure for a night, but joy will come in the morning. Hang in there Sneaky, days will be rough but you'll get through

“ Sigh...

I just want to say Thank you for being in my life!!!! Thank you for being my cousin. Thank you for your bear like hugs, your genuine love, your protective ways, your passionate conversations, your contagious laughter, the love that you had for all of us was obvious!!! The love you had for your sister and your nieces and nephews was unmeasurable. Thank you for being you! Often I wonder what It would be like if we all grew up together like in the same city. Miles have always been between us in distance but not in our hearts. We (cousins) all have an unbreakable bond and love for each other that only we understand, it cant be explained. So this, this hurts! I love you, J. Your big cousin, D'Naya xoxo

“ Jared Alexander Brailsford, it has been a fun honor to have been your Uncle for the past 30 years. I will never forget running from the pitbull when you were younger, then turning around and seeing you petting it. You and your dad laughed at me for years about that! I love you Neph, and I will always remember the fighter that you were. My heart is heavy, but we shall see each other again.

Charles Tory - April 20 at 05:51 PM

“ Jared I can see you now getting off the elevator with your big bright smile and saying good morning to me. You truly was a great guy when you work at CHC.

Ginny Lyle - April 22 at 04:41 PM

“ To the Brailsford family. It was a pleasure and honor getting to know the family during your Oak Ridge Missionary Baptist Church days. Thank God Jared had parents that introduced him to the Lord and he served the Lord with gladness. We will always remember that sweet little boy into a teenager into a handsome young man. Praying always for my Brailsford family. George and Deb Newton.
