“ Ken and I worked closely together at LensCrafters and Luxottica. He was a man of honor and style. I am very sorry to hear of his passing; be assured he will be remembered always!

“ Ken and I worked together at Luxottica Retail and we became good friends during our time there. He had a great sense of humor and loved to laugh; he could be counted on to say something witty that would get the whole team cracking up. But Ken was also very compassionate and when I went through a life-changing event in 2006, Ken was one of the people who gave me support and helped me keep perspective. I'm so sorry to hear of his passing, but I know I am blessed for having known him. Ken spoke often about his family and you will be in my prayers.

“ Ken and I began working together in 2005 in IT at Luxottica, and he was a great mentor to me in growing my development skills. We developed a wonderful friendship, and I will miss him forever! He was such a great soul! I miss his laughter, that you could hear far away, when he was enjoying the moment. God Bless Ken! May God have great things waiting for him!

“ Sending heartfelt prayers of sympathy and peace for Ken's family during this time of such great loss. I worked with Ken in the IT Department for many, many years at Lenscrafters / Luxottica. We had so much fun working together, he made work fun! Ken spoke often of his children, Ashley and Thaddaeus and his grandson, Trip and loved you all very, very much.

My sincere condolences to you all,
