“ I remember when my Daddy taught me how to plant a garden and how to take care of it and how he taught me how pick collards so they can feed your family all year buy freezing them Im gonna miss all his stories about how Cincinnati use to look like how he would watch the reds at crawsley field from the Expressway while it was under construction or how him and my momma would go to the black beer lot and hang out and drink and how they would go to the horse race track and win because my momma knew how to pick a winner everytime and Ill never forget the day he married me and wife erika(I'll alway' s Love You and remember you you'll never be forgotten!!!
