

Willie Webster Jr.

July 18, 1941 - December 28, 2020

Willie Webster Jr, better known by family as “June,” was born on July 18, 1941 in Cincinnati, Ohio. He was the son of the late Willie B. Webster Sr. and Elizabeth Cook Webster. At the age of 4, Willie's mother passed away and Willie was raised by the late Eddie Mae Webster, Willie Sr.'s second wife.

Willie attended Hughes High School where he ran track. Outside of school, Willie played baseball for the neighborhood team. After graduating high school, Willie worked in the warehousing area of the regional distribution facility at Shillito's Department Store. He retired as a warehouse supervisor from Macy's (formerly known as Shillito's). Willie also worked at HR Block as a tax preparer. He loved working with numbers and preparing taxes for individuals. He retired from HR Block after serving over 30 years. As an adult, he was an avid bid whist player and a self-taught pastry chef. He greatly enjoyed baking cakes for loved ones, especially for the holidays and various celebratory events.

Willie took residence in Bond Hill where he and his late wife Mildred Webster raised their two children, Geoffrey (Julie) and Janee'. Willie leaves to cherish his memories his children, his grandchildren Malik, Maiya, Charmaine, and Alon, his siblings Charles (Geneva), Gloria, Gregory (Brenda), Brenda, Janet (Donald Jackson), Deborah, and Cheryl. Two other siblings preceded Willie in death: Patricia (Gregory McKenzie) and Michael. Willie also leaves a very close cousin Jacqueline Covington and a host of numerous nieces, nephews, cousins, other relatives plus numerous friends to remember him always.

Willie was somewhat a private person, but he would do anything for his family and friends. He died during a year of chaos, but we can rest assured that Willie was truly loved by many. No more suffering June, you will be missed by all. We have Endless Love for You!

“ To the Webster family my prayer and condolences goes out to you. Mr. Webster's son Geoffrey is a great friend to me. He talked about his father with much prided and honor. I know Mr. Webster was a good person because of how his son's character. As I read the obituary I saw his reflection through his son. May the Lord continually be with the family.

“ My Grandpa will be dearly missed by all the lives he has raised, changed and uplifted. I enjoyed all the phone calls I had with him during my first two years in college. He asked how things were, what my dorm was like, the people and always reminded me to keep going and "stay in your books". I will miss those calls but will remember them along with all the lovely memories you all have shared!

Much Love,

“ The cycle of life is you're born, you pay taxes then you transition. Regardless of the cycle you're never ready for the final one.

June is what we called him, sometimes he would call himself "Bid Daddy" with that sneaky laugh lol. I remember our mom telling me that June use to spit in his cream soda because he didn't want his siblings drinking his pop. I don't know because I was younger and we did have a big family. I'm just glad that I was to young to go in the fridge by myself. LOL

June you will always and forever be in my heart. I love you and I will miss you dearly.

“ My family would like to extend our prayers, love and condolences to Mr. Webster's family. We've known Mr. Webster and his family since the 70's. My family grew up in Bond Hill. I remember my mom and dad always calling Mr. Webster, Willie Webster, they would say his full name. I'm smiling now thinking of my parents saying his full name. We cherished Mr. Webster. He was also so kind, cracked jokes and was full of life!

This is very sad and hurts to know Mr. Webster has gained his wings to God's Glory! I have great memories of Mr. Webster. My siblings and I thought of Mr. Webster as an Uncle. I would visit Mr. Webster at his home in Bond Hill and in the nursing homes and take him lunch. He loved Captain D's fish meal and Frisch's vegetable soup and sandwich. I would call Mr. Webster to see how he was doing and would say, "Mr. Webster I'm coming over on pay day, what would you like for lunch or dinner?" Mr. Webster would laugh and say "Okay Brynda". I would kiss him on his head when I saw him.

It was always good to see Mr. Webster. He loved his family and friends. He loved to talk about Geoffrey, Janay and his grandkids. He was so excited when I mentioned that I worked with Charmaine when she interned at P&G. He was so proud of his children and grandkids. Mr. Webster and I spoke after Thanksgiving and we talked about his baking for years and how Charmaine baked so many beautiful pies for Thanksgiving. He was proud.

Mr. Webster would always make me his delicious and famous pound cake for Christmas and my birthday. I would eat practically the whole cake by myself. I asked him to just make them for my birthday because they were so addictive and delicious! He would make his cakes for my family also. We looked forward to the holiday season for his cakes. He would spend hours baking for his loved ones. He would tell me I'm making cakes for Janay because she has orders in Dayton. His baking was a passion of his along with the love of his family.

God blessed my family with Mr. Webster! His spirit was loving, caring and generous! My family and I miss Mr. Webster dearly. He was our uncle and we now have another loved one in heaven watching over us along with our parents.

Webster family, please accept our condolences, prayers and love. Your father, grandpa and brother will be missed by the Cunningham family.

We love you,

Brynda Cunningham and family.

“ My big brother, June. I never thanked you for my first job. Babysitting Geoffrey as he sucked his thumb while pulling my ear or my hair, lol. I think he liked keeping me busy, working in his yard and cutting his grass. Why did he get an electric lawnmower? Well guess what I did, yes ran over the cord. Even after that, he didn't stop picking me up. As a teenager, he got me a job at H&R Block as a receptionist. It wasn't as easy as it looked.

June you will be missed with your distinct laugh. I will miss how much you could keep a conversation going because Lord knows you can talk, lol. Rest now no more pain, your sister Janet. Love you

“ I have fond memories of Mr. Willie Webster. He was my buddy. He was my tax man. He would always remember my birthdays with a beautiful card and homemade favorable cakes. I could depend on him to place Christmas orders of cashews and turtle candies. I am going to miss our long talks. Mr. Willie Webster placed a footprint of appreciation of life in me.

“ My first memory of Willie Webster, Jr. came as teenagers with the surprise and joy we felt in learning that our mothers were sisters from Biloxi-MS. They both had lived and died in Cincinnati-OH in the mid-1940's of tuberculosis. Secondly, I'll always remember how excited he became whenever he won a game of Bid Whist; while, playing against me and any other partner. And thirdly, “Oh! How I'm going to miss the 'perfectly' baked pound cakes that Willie baked for my birthday (July 17) - year-after-year.” Willie was my closest and a very special 1st cousin. I will truly miss him.

“ Mr. Webster was one of the wisest persons I've ever met. He had a great talent for telling stories with side splitting humor along with providing historical & realistic content. Mr. Webster was promoted to a managerial position managing his former coworkers who were mostly white. One would have to have specific skills to effectively manage his department that person was Mr. Webster.

Tracie Turner - January 03 at 03:36 PM

“ Mr. Willie Webster, was a very quiet person the first time I meet him. We talk about baking cakes and my sweet potato pie . He request me to bake him sweet potato one year . Mr . Webster said , “ that was the best “. He will be missed.
